

## Following the 2016 visit of Fr Richard Lennan

Jesus was immersed in his society – its promise and its shadows. As Christians in the modern world, that is also our calling, navigating the 21st century path. Let us reflect with others about issues that matter

### living good news in our time

is a series of conversational opportunities across the diocese, considering our questions in the light of the key document of Vatican II: *The Church in the Modern World*.

**20 - 25 June, 2017**

**Facilitator: Dr James McEvoy**

James is a priest of the Archdiocese of Adelaide and lecturer in Systematic Theology at ACU. His recent book, *Leaving Christendom for Good: Church-World Dialogue in A Secular Age*, argues that the solution to some of the most troubling tensions in the life of the Church since Vatican II can be found in the Council's document: *The Church in the Modern World*. It also addresses how we can best approach the issues that now concern us.
