

Confirmation work space

Take the pain out of preparing Confirmation liturgies alone or by back & forth email. Let's work together & get it done right the first time.

Sunday 7 April 2019
10.30am – 1.30pm • 12 Short St, Scone
St Mary's Primary School

Sacramental teams are invited to set up camp to work on their confirmation liturgies, with support from Louise Gannon rsj, members of the Liturgy Council and each other.

Process

We'll start with an open forum for about an hour focusing on questions, issues and developments. For the rest of the time teams will work through their liturgies on the computers provided. We'll pause as needed to consider issues together.

By 1.30pm your confirmation liturgy should be prepared, with only final tweaking required for submission to the Bishop's Office.
